ORGANIC HONEY

ABOUT US

we are in love with mother nature and mother nature loves our health.

we started the competition years ago with professional honey packaging speciality and we managed to stay beside you with upholding the quality of our products.

now, regarding the success and experience we acquired within these years, we have expanded the diversity

of our activities and we are continuing to serve you with creation

of products as flour, jam, cake powder and salad dressing that are basically honey treated and health-oriented products.

Golshahd Food Industry deeply believes that
